

Heated Outdoor Gear

for work and leisure

For the perfect fit – consider the following criteria:

A Chest circumference: Measure horizontally around the widest area of your chest.

B Arm length: Measure from your wrist up to your shoulder.

GHJ / GHV / GHH 12+18V XA Professional

Measurements	S	M	L	XL	2XL	3XL
A Chest circumference in cm	90-93	94-97	98-102	103-106	107-110	111-114
